

BAYSIDE ORTHODONTISTS

COVID-19 RESTRICTIONS LEVEL: 2 COMMENCES 27TH APRIL

PARTIAL REOPENING

This will not be business as usual as the risk of community transmission is still present.

A reduction in the level of restrictions for dental and orthodontic practices in Victoria will enable us to start seeing some patients in the clinic again.

SPECIFIC APPOINTMENTS ONLY

Some appointments can go ahead in person, with more infection control processes in place. It is likely we will continue to see the majority of you online until the restrictions have been lifted further.

TAKING YOUR BRACES OFF OR REPAIRING THEM

Repairing or removing braces generates aerosols which are not permitted at this stage. We hope to be able to achieve these procedures again soon.

RESCHEDULING APPOINTMENTS

We will continue to work with you to manage your treatment virtually where possible. We will modify appointments as necessary to meet your needs as the restrictions in place change. Thank you for your patience and understanding.

WHAT TO EXPECT

Similar to before we shut we have additional procedures to help reduce the risk of infection.

- The waiting room will be closed.
- One patient will be seen in the practice at a time
- You will be asked to wash hands and rinse your mouth prior to your procedure

PHOTOS

We have been seriously impressed by everyone taking their own photos. It has made our job of helping you so much easier thank you for all your efforts.

KEEP SMILING

WE ARE EXCITED WITH YOUR ENTHUSIASM TO MOVE FORWARD WITH YOUR TREATMENT AND WE ARE PREPARING TO MEET YOUR ORTHODONTIC NEEDS
